

Remarks

On March 20, 2002, a Notice to Comply was mailed by the Patent Office. In the Notice, the Examiner noted that the Sequence Listing originally filed in the present application required correction. Applicants are filing herewith a substitute Sequence Listing (paper copy and computer-readable diskette) which is believed to be fully compliant with 37 CFR 1.821-1.825. A Copy of the Notice to Comply and a Certificate re Sequence Listing are also enclosed.

Entry of the amendment is respectfully requested prior to examination of Applicants' patent application.

Respectfully submitted,
GENENTECH, INC.
